Subject: ACCMS-VO Acceptance

Dear Dr. Qian Wang ,

Thank you very much for your submission of the abstract for presentation for Foundation General Meeting of ACCMS-VO.

Title: Electronic and Magnetic Properties of Mn- and Cr-Doped GaN Low dimensional Nanostructures

Author(s): Qian Wang, Qiang Sun, Puru Jena and Yoshiyuki Kawazoe

has been selected by the Local Organizing Committee of ACCMS-VO as invited paper presentation.

Please check the latest information about the meeting in the web site below.
We will upload the program by middle of February.
