
Curriculum Vitae for: David C. Sarrett, D.M.D., M.S.

Personal Information

Home Address/Phone

306 N 26th St #233, Richmond, VA 23223, 804-512-2464

Office Address/Phone

Virginia Commonwealth University, School of Dentistry, Lyons 450, 520 North 12th Street, PO Box 980566, Richmond, VA 23298-0566, 804-828-7227

FAX

804-828-8003

Email

dcsarrett@vcu.edu

Education

- | | | |
|------|------|---------------------------------------------------------------------------------------|
| 1984 | 1988 | University of Florida College of Engineering, Materials Science and Engineering, M.S. |
| 1974 | 1978 | University of Florida College of Dentistry, D.M.D. |
| 1971 | 1974 | Villanova University |

Licensure

Florida # 7750, Virginia # 0401411916

Academic Appointments/Work Experience

- | | | |
|------|---------|------------------------------------------------------------------------------------------------------------------------------|
| 2011 | present | Dean, Virginia Commonwealth University, School of Dentistry & Associate Vice President for Health Sciences - Faculty Affairs |
| 2010 | | Interim Dean, Virginia Commonwealth University School of Dentistry |
| 2008 | present | President, VCU Dental Faculty Practice Association (501-3c corporation that operates the clinical practice plan) |
| 2003 | 2011 | Associate Vice President for Health Sciences, Virginia Commonwealth University |
| 2000 | 2004 | Assistant Dean for Academic Affairs & Advanced Education, Virginia Commonwealth University School of Dentistry |
| 1999 | 2000 | Professor and Chairman, Department of General Practice, Virginia Commonwealth University |
| 1992 | 1999 | Associate Professor and Chairman, Department of General Practice, Virginia Commonwealth University |
| 1984 | 1992 | Associate Professor with Tenure, Department of Operative Dentistry, University of Florida |
| 1979 | 1984 | Assistant Professor, Department of Operative Dentistry, University of Florida |

1977 1979 Instructor, Department of Operative Dentistry, University of Florida

Award/Honors

2007 University of Florida College of Dentistry Outstanding Alumnus
1995 American College of Dentists Fellowship
1978 Elected to Alumni Membership in Omicron Kappa Upsilon

Teaching

Lecture/Seminar

2004 2007 Small-group facilitator OCMB 510 Evidence-based Dentistry
2003 Lecturer GENP 512 Operative Dentistry 1, Internal Tooth Anatomy and Histology, 1 hour, Dentin Bonding, 1 hour, Glass Ionomer Cements, 1 hour
2002 Lecturer GENP 512 Operative Dentistry 1, Internal Tooth Anatomy and Histology, 1 hour, Dentin Bonding, 1 hour, Glass Ionomer Cements, 1 hour
2002 Lecturer OCMB 510 Scientific Inquiry, Overview of Research Design and Data Analyses, 2 hours, Statistical Quiz Game, 1.5 hours
2002 Lecturer GENP 621 Operative Dentistry 2, Liners, Adhesives, and Bases, 1 hour, Class IV Restorations, 1 hour, Veneers and Diastema Closures, 1 hour, Root Caries and Glass Ionomer Restorations, 1 hour, Composite Inlay, 1 hour
2002 Principles of Adhesive Dentistry, Prosthodontics Graduate Program, 3 hours
2001 Lecturer GENP 512 Operative Dentistry 1, Internal Tooth Anatomy and Histology, 1 hour, Dentin Bonding, 1 hour, Glass Ionomer Cements, 1 hour
2001 2002 Lecturer GENP 307 Research Methods & Biostatistics for Dental Hygiene, Planning for a Research Project and Types of Data, Defining your Research Objective, Rates, Frequency Distributions, Measures of Central Tendency and Spread, Probability, Research Design Terminology, Normal Distribution, Estimation, and Hypothesis Testing, Study Factors and Study Designs, Estimation and Confidence Intervals, Estimating Sample Size, Data Management with Excel
2001 Lecturer GENP 621 Operative Dentistry 2, Liners, Adhesives, and Bases, 1 hour, Class IV Restorations, 1 hour, Veneers and Diastema Closures, 1 hour, Root Caries and Glass Ionomer Restorations, 1 hour, Composite Inlay, 1 hour, Bonded Ceramic and Indirect Composite Restorations, 1 hour
2000 Lecturer GENP 621 Operative Dentistry 2, Liners, Adhesives, and Bases, 1 hour, Class IV Restorations, 1 hour, Veneers and Diastema Closures, 1 hour, Root Caries and Glass Ionomer Restorations, 1 hour, Composite Inlay, 1 hour, Bonded Ceramic and Indirect Composite Restorations, 1 hour
2000 Lecturer GENP 512 Operative Dentistry 1, Internal Tooth Anatomy and Histology, 1 hour, Dentin Bonding, 1 hour, Glass Ionomer Cements, 1 hour
2000 Lecturer DENH 411 Research Methods & Biostatistics for Dental Hygiene, Planning for a Research Project and Types of Data, Defining your Research Objective, Rates, Frequency Distributions, Measures of Central Tendency and Spread, Probability, Research Design Terminology, Normal Distribution, Estimation, and Hypothesis Testing, Study Factors and Study Designs, Estimation and Confidence Intervals, Estimating Sample Size, Data Management with Excel

- 2000 present Lecturer DENS 515 Introduction to Clinical Dentistry, Teeth and Restorative Dentistry, presented in format of "Who Wants to be a Millionaire"
- 1999 Lecturer DENH 411 Research Methods & Biostatistics for Dental Hygiene, Planning for a Research Project and Types of Data, Defining your Research Objective, Rates, Frequency Distributions, Measures of Central Tendency and Spread, Probability, Research Design Terminology, Normal Distribution, Estimation, and Hypothesis Testing, Study Factors and Study Designs, Estimation and Confidence Intervals, Estimating Sample Size, Data Management with Excel
- 1999 Lecturer GENP 621 Operative Dentistry 2, Liners, Adhesives, and Bases, 1 hour, Class IV Restorations, 1 hour, Veneers and Diastema Closures, 1 hour, Root Caries and Glass Ionomer Restorations, 1 hour, Composite Inlay, 1 hour, Bonded Ceramic and Indirect Composite Restorations, 1 hour
- 1999 2000 Seminars in BIOS 530 Biostatistics and Research Design in Dentistry, course for dental residents, seminars centered around research design and statistical concepts in the dental literature, 20 1-hour seminars with 7-8 students
- 1999 Lecturer GENP 745 Clinical Principles of Restorative Dentistry, Root Caries Treatment, 1 hour, Posterior Composites, 1 hour
- 1999 Lecturer GEP 512 Operative Dentistry 1, Internal Tooth Anatomy and Histology, 1 hour, Dentin Bonding, 1 hour, Glass Ionomer Cements, 1 hour
- 1999 Lecturer Introduction to Dentistry, Restorative Dentistry, 1 hour
- 1999 Principles of Adhesive Dentistry, Prosthodontics Graduate Program, 3 hours
- 1998 2002 Lecturer DENS 510 Scientific Inquiry, Overview of Data Analyses or, Lies, More Lies, and Statistics, 1.5 hour, Practical Uses of Data Analyses for Dentists, 1.5 hour, Clinical Research in the Dental Office, 1.5 hour
- 1998 Lecturer GEP 510 Dental Materials, Abrasives and Polishing, 1 hour
- 1998 Lecturer GEP 745 Clinical Principles of Restorative Dentistry, Root Caries Treatment, 1 hour, Posterior Composites, 1 hour
- 1998 Lecturer GEP 621 Operative Dentistry 2, Liners, Adhesives, and Bases, 1 hour, Class IV Restorations, 1 hour, Veneers and Diastema Closures, 1 hour, Root Caries and Glass Ionomer Restorations, 1 hour, Composite Inlay, 1 hour, CAD/CAM Restorations, 1 hour
- 1998 Lecturer GEP 512 Operative Dentistry 1, Internal Tooth Anatomy and Histology, 1 hour, Dentin Bonding, 1 hour, Glass Ionomer Cements, 1 hour
- 1998 Lecturer Introduction to Dentistry, Restorative Dentistry, 1 hour
- 1998 Dental Materials Review for National Board Exam, 2 hrs
- 1997 Lecturer Introduction to Dentistry, Restorative Dentistry, 1 hour
- 1997 Lecturer GEP 745 Clinical Principles of Restorative Dentistry, Root Caries Treatment, 1 hour, Posterior Composites, 1 hour
- 1997 Lecturer GEP 512 Operative Dentistry 1, Internal Tooth Anatomy and Histology, 1 hour, Dentin Bonding, 1 hour, Glass Ionomer Cements, 1 hour
- 1997 Lecturer GEP 621 Operative Dentistry 2, Bases and Liners, 1 hour, Class IV Restorations, 1 hour, Veneers and Diastema Closures, 1 hour, Root Caries and Glass Ionomer Restorations, 1 hour, Composite Inlay, 1 hour, CAD/CAM Restorations, 1 hour

- 1997 Lecturer, Class II Amalgam Restorations: Review of SRTA Cases, 1 hour
- 1997 Lecturer DEN 733 Geriatric Dentistry, Meeting Restorative Challenges with Creative Operative, 1 hour
- 1997 2001 Lecturer DENS 510 Scientific Inquiry, Overview of Data Analyses or, Lies, More Lies, and Statistics, 1.5 hour, Practical Uses of Data Analyses for Dentists, 1.5 hour, Clinical Research in the Dental Office, 1.5 hour
- 1996 Lecturer GEP 621 Operative Dentistry 2, Bases and Liners, 1 hour, Class IV Restorations, 1 hour, Veneers and Diastema Closures, 1 hour, Root Caries and Glass Ionomer Restorations, 1 hour, Composite Inlay, 1 hour, CAD/CAM Restorations, 1 hour
- 1996 Lecturer GEP 512 Operative Dentistry 1, Internal Tooth Anatomy and Histology, 1 hour, Dentin Bonding, 1 hour, Glass Ionomer Cements, 1 hour
- 1996 Lecturer Introduction to Dentistry, Restorative Dentistry, 1 hour
- 1996 Lecturer GEP 745 Clinical Principles of Restorative Dentistry, Root Caries Treatment, 1 hour, Posterior Composites, 1 hour, Posterior Ceramic Restorations, 1 hour
- 1996 Lecturer GEP 302 Dental Materials for Hygiene Students, Cavity Bases, Liners, Varnish, Bonding Agents, 1 hour, Dental Amalgam Placement, Carving, Finishing, 1 hour, Composite Resin, Acrylic Resins and Temporary Restorations, 1 hour
- 1996 Dental Adhesion, Prosthodontics Graduate Program, 2 hours
- 1995 GEP 512 Operative Dentistry 1, Internal Tooth Anatomy and Histology, 1 hour, Dentin Bonding, 1 hour, Glass Ionomer Cements, 1 hour
- 1995 Lecturer GEP 621 Operative Dentistry 2, Bases and Liners, 1 hour, Class IV Composite Restorations, 1 hour, Root Caries - Treatment and Glass Ionomer Restorations, 1 hour, Indirect Composite Resin Restorations, 1 hour, Ceramic Inlays, 1 hour
- 1995 Lecturer GEP 302 Dental Materials for Hygiene Students, Cavity Bases, Liners, Varnish, 1 hour, Bonding Agent, 1 hour, Dental Amalgam Placement, Carving, Finishing, 1 hour, Abrasives: Wear, and Polishing of Dental Materials, 1 hour, Composite Resin, Acrylic Resins and Temporary Restorations, 1 hour
- 1995 Lecturer GEP 745 Clinical Principles of Restorative Dentistry, Root Caries Treatment and Class V Restorations, 1 hour, Dental Adhesion and Amalgam Bonding, 1 hour, Posterior Ceramic Restorations, 1 hour, Posterior Composites, 1 hour
- 1994 Lecturer GEP 302 Dental Materials for Hygiene Students, Cavity Bases, Liners, Varnish, 1 hour, Bonding Agents, 1 hour, Dental Amalgam Placement, Carving, Finishing, 1 hour, Abrasives: Wear, and Polishing of Dental Materials, 1 hour, Composite Resin, Acrylic Resins and Temporary Restorations, 1 hour
- 1994 Lecturer GEP 512 Operative Dentistry 1, Internal Tooth Anatomy and Histology, 1 hour, Dentin Bonding, 1 hour, Glass Ionomer Cements, 1 hour
- 1994 Lecturer GEP 621 Operative Dentistry 2, Bases and Liners, 1 hour, Class IV Composite Restorations, 1 hour, Root Caries - Treatment and Glass Ionomer Restorations, 1 hour, Indirect Composite Resin Restorations, 1 hour, Ceramic Inlays, 1 hour

- 1994 Lecturer GEP 510 Dental Materials, Dental Materials and Health, 1 hour
- 1994 Lecturer GEP 745 Clinical Principles of Restorative Dentistry, Treatment Planning Using ADA Codes, 1 hour, Root Caries Treatment and Class V Restorations, 1 hour, Posterior Ceramic Restorations, 1 hour, Posterior Composites, 1 hour
- 1993 Lecturer RED 745 Clinical Principles of Restorative Dentistry, Glass Ionomer Restorations, 1 hour, Treatment of Root Caries, 1 hour
- 1993 Lecturer RED 512 Operative Dentistry, Class II Amalgam Preparation and Restoration, 2 hours.
- 1993 Lecturer RED 302 Dental Materials for Dental Hygiene, Composites, Amalgam Placement and Polishing, and Acrylics and Temporary Restorations, 3 hours
- 1993 Lecturer Freshman Orientation, Cariology and Operative Dentistry, 1 hour
- 1993 Lecturer GEP 621 Operative Dentistry 2, Enamel and Dentin Composition and Structure, Bonding, Composite Restorations, Glass Ionomers, Veneers, Diastemas
- 1993 Current Concepts in Bonding, Prosthodontics Graduate Program, 1 hour
- 1993 Lecturer RED 745 Clinical Principles of Restorative Dentistry, Update on Dentin Bonding and Resin Bonded Ceramic Restorations-CEREC
- 1990 1992 Lecturer, C.C. 6402C Preclinical Operative Dentistry III, CI III, IV, V Prv-Dx-Tx., 10 hours of lecture developed and presented
- 1988 Lecturer for EMA 6580 Science of Biomaterials, Dental Materials, 1 hour, College of Engineering course
- 1987 Lecturer for EMA 6166 Polymer Composites, Dental Composites, 1 hour, College of Engineering course
- 1986 Lecturer for EMA 6580 Science of Biomaterials, Dental Materials, 1 hour, College of Engineering course

Laboratory Instructor

- 2000 Preclinical Operative Dentistry Instructor, average 1 session/two weeks
- 1995 Preclinical Fixed Prosthodontics Instructor, 1 lab/week for one semester
- 1993 2000 Dental Materials Laboratory Instructor, 10 labs per year
- 1993 1997 Preclinical Operative Dentistry Instructor, average 1 session/two weeks
- 1978 1992 Preclinical Operative Dentistry Instructor, average 2 sessions/week
- 1978 1992 Preclinical Dental Anatomy Instructor, average 1-session/week one semester/year

Clinical Instructor

- 2008 Faculty for Dental Mission to Trelawny Parish, Jamaica, WI, 6 days
- 2006 Faculty Leader for Dental Mission to Trelawny Parish, Jamaica, WI, 8 days
- 2004 2007 Clinical Instructor in Endodontics, 2 clinic sessions per month
- 2003 Clinical Instructor in General Practice, 1 clinic session per week
- 2000 Faculty for Dental Mission to Trelawny Parish, Jamaica, WI, 6 days

1998		Faculty for Dental Mission to Trelawny Parish, Jamaica, WI, 6 days
1998	2000	Clinical Instructor, AEGD program, 1 clinic session/week
1997		Faculty for Dental Mission to Trelawny Parish, Jamaica, WI, 8 days
1994		Clinical Instructor, AEGD program, 1 clinic session/week
1993	2000	General Practice Clinical Instructor, average 2 clinic sessions/week
1983		Faculty Leader for Dental Mission to Jeramie Haiti, 10 days
1980	1983	Team Member, C.C. 6250, Aspects of Pain and Pain Control in Dental Patients
1979	1992	Mock Board Examiner, University of Florida College of Dentistry, ten examinations
1978	1992	Clinical Operative Dentistry Instructor, average 2-3 clinic sessions/week

Directed Lecture Course

2001	2002	Course Director, GENP 307 Research Methods & Biostatistics for Dental Hygiene
1999	2000	Course Director, DENH 411 Research Methods & Biostatistics for Dental Hygiene
1999	2002	Co-Course Director, DENS 580 Biostatistics and Research Methods in Dentistry, for advanced dental education students, with Drs. Schenkein and Best
1994		Course Director, Academy of General Dentistry Mastership course in Restorative Dentistry
1991	1992	Course Director, C.C. 10610 Advanced Techniques with Posterior Composite Restorations, elective course developed and presented, included lectures, laboratory exercises, and clinical cases
1990	1992	Course Director, C.C. 6402C Preclinical Operative Dentistry III, CI III, IV, V Prv-Dx-Tx.
1980	1982	Course Director, C.C. 8403, Restoration to Health, Part IV, Smooth Surface Caries: Class II Inlay and Onlay
1978	1980	Course Director, C.C. 8403, Restoration to Health - Extensive and Recurrent Caries: Prevention and Non-Cast Restorations

Directed Preclinical Lab Course

1991	1992	Course Director, C.C. 10610 Advanced Techniques with Posterior Composite Restorations, elective course developed and presented, included lectures, laboratory exercises, and clinical cases
1990	1992	Course Director, C.C. 6402CL Preclinical Operative Dentistry III, CI III, IV, V Prv-Dx-Tx.
1980	1982	Course Director, C.C. 8403L, Restoration to Health, Part IV, Smooth Surface Caries: Class II Inlay and Onlay
1978	1980	Course Director, C.C. 8403L, Restoration to Health - Extensive and Recurrent Caries: Prevention and Non-Cast Restorations

Directed Clinical Course

1994	1997	Course Director GEP 749 Clinical Operative 4
1994	1997	Course Director GEP 739 Clinical Operative 3
1993	1997	Course Director GEP 743 Clinical General Practice Module

1991 1992 Course Director, C.C. 10610 Advanced Techniques with Posterior Composite Restorations, elective course developed and presented, included lectures, laboratory exercises, and clinical cases

Teaching Materials Developed

2001 Developed Blackboard web course for GENP 307 Research Methods & Biostatistics for Dental Hygiene

1999 Developed new course Research Methods & Biostatistics for Dental Hygiene, includes lectures, handouts, and course web site

1999 Co-developed with Drs. Schenkein and Best, new course Biostatistics and Research Design for Dentistry for advanced education students

1996 SRTA Class II amalgam cavity preparation and restoration cases with radiographs, clinical slides, and examiner evaluations, was part of an invited presentation to the Southern Regional Testing Agency and subsequently used by students taking the SRTA

1993 1994 Developed new course, GEP 743 - Clinical General Practice Module, which incorporated student evaluation in the areas of clinical productivity, efficiency, and professional conduct. The syllabus for this course has been requested by three other dental schools, UT Houston, Ohio State, University of Detroit Mercy

1991 1992 Developed C.C. 10610 Advanced Techniques with Posterior Composite Restorations, elective course that included lectures, laboratory exercises, and clinical cases. Ten students elected to take the course during two academic years

1989 Major revision of C.C. 6402C syllabus; new teaching materials, schedule, and examinations; eight new one-hour lectures developed

1984 1992 Developed SAS programs and managed the computerized student clinical records in clinical Operative Dentistry

1983 Smith, G. and Sarrett, D.C. Rubber Dam, A teaching package including objectives, a script, and a microfiche, Module 7400

1983 Smith, G. and Sarrett, D.C. Amalgam Polishing, A teaching package including objectives, a script, and a microfiche, Module 7400.

1983 Sarrett, D.C. The Class II amalgam cavity restoration, A teaching package including objectives, a script (6 pages), and a microfiche (43 slides)

1982 Sarrett, D.C. Spruing and Investing Inlays and Onlays, Teaching article-02 for C.C. 8403

1982 Sarrett, D.C., Richeson, J.S., and Clark, A.E. Mixing Cements, A teaching package including objectives and a videotape (8 minutes).

1981 Sarrett, D.C. Restoration to Health, Part IV Smooth Surface Caries: Class II Inlay and Onlay, Sixth edition, instructional syllabus for C.C.8403

1980 Sarrett, D.C. and Borkow, I.L. The MOD Onlay Preparation, A teaching package including objectives, a script (11 pages), and a slidetape (45 slides)

1980 Sarrett, D.C. Fabrication of Temporaries for Cast Gold Restorations, A teaching package including objectives, a script (8 pages), and a slidetape (59 slides)

1980 Sarrett, D.C. Impression Technique for Cast Restorations, A teaching package including objectives, a script (11 pages), and a slidetape (47 slides)

- 1980 Sarrett, D.C. and Lalane, R.L. Seating, Finishing, and Cementation of a Single Cast Restoration, A teaching package including objectives, a script (15 pages), and a slidetape (46 slides)
- 1980 Smith, G.E. and Sarrett, D.C. The Class II Inlay Preparation, A teaching package including objectives, a script (19 pages), and a slidetape (61 slides)
- 1980 Sarrett, D.C., Smith, G.E., and Richeson, J.S. The Class II Onlay, A teaching package including objectives and a videotape (14 minutes)
- 1980 Sarrett, D.C. Waxing and MOD Onlay, A teaching package including objectives, a script (4 pages), and a slidetape (23 slides)
- 1978 1982 Supervised the Natural Tooth Dentoform Project. This involved training and supervising two technicians. They were instructed in tooth selection, arrangement, and methods of fabricating dentoforms which were used by the sophomore dental students.

Teaching Skills Education

- 2003 Instruction in Large Group Settings, Dr. Joseph Marolla, Director of VCU Center for Teaching Excellence, VCU School of Dentistry, April 11
- 2003 Professionalism and Ethics: Faculty Member Know Thyself, Professor Michael A. Johnson, VCU School of Dentistry, December 15
- 2002 Journey from Effectiveness to Excellence, VCU School of Dentistry Faculty Retreat, Virginia Beach, VA, Dr. Ted Rippert, 2 CEU
- 2002 Organizational Power and Influence, Sponsored by ADA Standards Committee for Dental Products, Professor Michael A. Johnson, San Diego, CA
- 2002 Build Interactive Patient Cases to Flavor Courses, VCU School of Dentistry Faculty Retreat, Virginia Beach, VA, Dr. Lou Abbey, 2 CEU
- 2001 Portfolio Assessment: Another Year of Lessons Learned, ADEA Annual Session, Chicago, IL
- 2001 Should the Commission on Dental Accreditation Expand its Review to Additional Programs? RJ Hunt, 1 CEU
- 2001 Course Review: A Tool for Curriculum and Faculty Development, ADEA Annual Session, Chicago, IL
- 2001 Communicating Across Cultures, Sponsored by ADA Standards Committee for Dental Products, Professor Michael A. Johnson, Chicago, IL
- 2001 Orientation fo Dental School Administrators Being Sited Visited, ADA Commission on Dental Accreditation, ADEA Annual Session, Chicago, IL
- 2000 AADS Leadership Institute, Phase II Cohort Meeting II: Strategic Planning; The Business of Running a Dental School; The Power of Positive Confrontation, San Antonio, TX, January 20-22
- 2000 The Implications of Research on How People Learn, Jon Wergin, VCU School of Dentistry Faculty Retreat, Virginia Beach, VA, 2 CEU
- 2000 Plenary on Gender Issues, Dr. Vivian Pinn, AADS Annual Session, Washington, DC
- 2000 Evidence-Based Dentistry in Education and Research at Schools of Dentistry, AADS Annual Session, Washington, DC

- 2000 Building Winning Work Relationships, Sponsored by Accredited Standards Committee for Dentistry, Professor Michael A. Johnson, Washington, DC
- 2000 Blackboard Course Training, VCU Instructional Development Center
- 1999 Recruitment Strategies for Postdoctoral General Dentistry Programs, AADS Annual Session, Vancouver, BC
- 1999 AADS Leadership Institute, Phase II Cohort Meeting I: Trends in Dental Education; Leading Change; NIDCR Overview, Washington, DC, October 14-16
- 1999 AADS Leadership Institute, Phase I: Leadership Assessment for Development, Williamsburg, VA July 28 - August 1
- 1999 Maximizing Dental Residency Training Support under Medicare Graduate Medical Education - A Look at Where We Are, AADS Annual Session, Vancouver, BC
- 1999 The Case-Based Senior Treatment Planning Course, Dr. Paul Wiley, VCU School of Dentistry Faculty Retreat, Virginia Beach, VA, 1 CEU
- 1999 Active Learning in Didactic Courses, Dr. Tom Koertge, VCU School of Dentistry Faculty Retreat, Virginia Beach, VA, 1 CEU
- 1999 Strategies for Participative Learning, Dr. Deborah L. Ulmer, VCU School of Dentistry Faculty Retreat, Virginia Beach, VA, 2 CEU
- 1999 Misperceptions Regarding Access for Students with Disabilities, Dr. Shyla M. Ipsen, VCU School of Dentistry Faculty Retreat, Virginia Beach, VA, 2 CEU
- 1999 VCU Honor Council, Dr. Robert Clifton, VCU School of Dentistry Faculty Retreat, Virginia Beach, VA, 2 CEU
- 1999 Seven Habits of an Effective Dental Educator, AADS Annual Session, Vancouver, BC
- 1999 Dealing with Difficulty People, Sponsored by Accredited Standards Committee for Dentistry, Professor Michael A. Johnson, Vancouver, BC
- 1999 Innovations in Faculty Recruitment, AADS Annual Session, Vancouver, BC
- 1998 Evaluation of Teaching, Dr. Mary Ann Gaffney, Temple University and Dr. Devorah Lansam, UNC Charlotte
- 1998 Negotiating for Success, Sponsored by Accredited Standards Committee for Dentistry, Professor Michael A. Johnson, Minneapolis, MN
- 1998 Conflict or Resolution, Nancy Hudepohl, VCU School of Dentistry Faculty Retreat, Wintergreen, VA, 2 CEU
- 1998 Problem Based Learning Workshop, VCU School of Dentistry
- 1997 Clinical Evaluations of Dental and Dental Hygiene Students, Dr. Littlefield, Wintergreen, VA, 5CEU
- 1997 1998 VCU School of Dentistry Web Masters, attended 3 sessions
- 1996 Creating Web Pages, VCU Academic Computing
- 1996 Web Course in a Box, Susan Polyson, VCU
- 1995 AADS Summer Faculty Workshop, Ogunquit, ME

- 1995 Promoting the Recruitment and Retention of Minority Faculty, AADS Workshop for Program Chairs and Directors, Savannah, GA
- 1994 Clinical Competence in Operative Dentistry: Focusing on the Individual, AADS Section on Operative Dentistry, Seattle, WA
- 1994 Defining the Bio Component in Dental Biomaterials, AADS/IADR Symposium, Seattle, WA
- 1994 Application of Case-Based Examinations and Critical Thinking in Dental Biomaterials, AADS Section on Biomaterials, Seattle, WA
- 1993 Medline Class, University Library Services, VCU
- 1989 Advanced Research Techniques for the Clinician-Researcher, Dr. Robert E. Martin, University of Florida and Veterans Administration Hospital
- 1983 Statistical Analysis System (SAS) Programing, Dr. Jane Pendergast, University of Florida Department of Biostatistics

Teaching Awards

- 1998 Favorite Full Time Clinical Instructor Award, selected by the Dental Class of 1998

Service

School Committees

- 2007 Member, Search Committee for Associate Dean for Research, School of Engineering
- 2001 2003 Chairman, Academic Performance Committee
- 2001 2003 Chairman, Accreditation Self-Study Steering Committee, VCU School of Dentistry
- 2001 2003 Chairman, Curriculum Committee
- 2001 2003 Chairman, Advanced Dental Education Committee
- 2000 2002 Research Committee
- 2000 2001 Curriculum Committee
- 2000 2000 Chairman, Peer Review Committee for Promotion of Dr. James E. Hardigan to Professor
- 1997 1998 Policy Council
- 1993 2002 Administrative Committee, VCU School of Dentistry
- 1993 1999 Informatics Committee
- 1993 1994 Policy Council
- 1993 1998 Ad Hoc Committee on Clinic Income and Revenue Sharing
- 1993 2000 Chairman's Council
- 1989 1992 Information Systems Management Committee
- 1989 1990 Chairman, Research Committee
- 1989 Search Committee for Director of Information Services
- 1988 1992 Committee on Strategic Planning

1988	1989	Chairman, Committee on Faculty Practice
1988	1989	PEW Collaborative Research Committee
1987	1991	Research Committee
1986	1991	Committee on Faculty Practice
1984	1987	Admission Committee
1984		Search Committee for Chairman of Operative Dentistry
1983	1988	Judged American Student Dental Association Clinic Day, University of Florida College of Dentistry, Gainesville, Florida
1982		Clinic Revision Committee
1981	1983	Chairman, Committee on Clinical Affairs
1980	1981	Committee on Clinical Affairs
1978	1982	Admissions Committee

School Task Forces

1998	1999	Research Methods Core Curriculum for Graduate Programs, Chair appointed by Dean
1994	1996	Self-Study Steering Committee for Accreditation, Chairman of the Sub-Committee for Standard 3. - Faculty and Staff
1993	1996	Fixed Prosthodontics Laboratory Quality Control and Tracking System, developed with Drs. Button and Unger, and Ms. Cindy Moore
1982	1985	Ad Hoc Committee on Self Study for Accreditation, Chairman, Sub-committee on Patient Management and Comprehensive Patient Care Section

School Consultant

1998		Judge, student research presentations at Clinic Day
1997		Judge, student research presentations at Clinic Day
1994	2000	Fixed Prosthodontics laboratory quality control evaluator
1994		Judge, student research presentations at Clinic Day

University Committees

2011		Chair, Search Committee for Vice President for Finance and Administration, Virginia Commonwealth University, position reports to university president
2011		Member of University Department Chairs Certification Program Committee, arrange and presented training sessions
2010		Chair, Search Committee for Assistant Vice President for Health Sciences – Financial and Administrative Affairs, position reports to Vice President for Health Sciences
2009	present	Member, VCU Business Intelligence Steering Committee
2009	present	Co-Chair, VCU Medical Center Committee on Industry Relations
2008		Member, New School of Medicine Building Steering Committee

2007		Member, University Grievance Panel to hear case between a faculty member and a dean, served as MCV Campus Administrator
2007	present	VCU Center and Institutes Review Committee, chaired by VP for Research Dr. Macrina
2007	2008	Member, School of Pharmacy Space Planning Steering Committee
2006		Chair, Search Committee for Assistant Vice President for Health Sciences – Financial and Administrative Affairs
2006		Member, Search Committee for Associate Vice Provost for Academic Affairs
2006		Member, Search Committee for Vice Provost for Instruction
2006		Member, Search Committee for President of the MCV Foundation
2006	2008	Member, University Parking Management Committee
2006	2007	Member, MCV Campus Recreational Facilities Construction Steering Committee
2005	2007	Member of weekly university workgroup with Associate Vice President for Finance and Administration & Associate Vice Provost for Academic Finance and Administration, known to the President and VPs as the Three Amigos
2005	2006	Chairman, MCV Campus Associate Deans for Financial Affairs Committee
2005	2006	Member, VCU Optional Retirement Program Investment Committee
2005	2006	Member, Search Committee for VCU Dean of Engineering
2005	present	Member of the University Incident Response Team
2005	2006	Member, Medical Science II Construction Steering Committee
2005	present	Co-chair, VCU Center on Health Disparities Steering Committee
2004	2005	Co-chair, School of Medicine Dean Search Committee, with Dr. Gordon Ginder Director of the Massey Cancer Center
2004	2005	VCU 2020 Strategic Planning Commission, charge to develop new strategic plan for the university, Co-chair the subcommittee on Developing and Sustaining a World-Class Faculty with Dr. Michael Sesnowitz, Dean of the School of Business
2003	present	A.D. Williams Research Committee, representing Vice President's Office
2003	present	Member, Academic Affairs Committee of University Council
2003	present	Chair, VCU Medical Center Committee on Academic Affairs
2002	2005	Member, Committee on Professional Degree Programs, Virginia Commonwealth University (a curriculum review and oversight committee for Allied Health Professions, Dentistry, Medicine, and Pharmacy)
2002	2003	MCV Campus Ad Hoc Southern Association of Colleges and Schools (SACS) Advisory Committee in preparation for Virginia Commonwealth University accreditation site visit March 2004
2001	2003	Co-chairman, VCU University Information Technology Advisory Committee
2000	2003	Graduate Dean's Advisory Committee
2000	2003	MCV Campus Committee on Academic Affairs

2000	2002	Council of Advisors to the University President, VCU
1997	1998	Member, Search Committee for Dean of School of Dentistry
1997	2000	A.D. Williams Research Advisory Committee
1996	2000	Information Resources & Media Advisory Committee, Office of Information Technology for Virginia Commonwealth University
1995	1999	University Council
1980	1982	University Senate

University Task Forces

2008		Chair, Presidential Task Force on the Security of Personal Information at VCU and VCU Health System
2008	2009	Co-Chair, VCU Medical Center Task Force on Industry-Related Conflicts of Interest, with Dr. Susan Kornstein, Professor of Psychiatry
2007	2008	Presidential Workgroup on Safety
2007		J. Sargeant Reynolds Community College/ VCU Task Force on Engineering, Teacher Education, Business, and Health Sciences
2007	2008	VCU Graduate Education Task Force, co-chaired by VP Health Sciences and Provost
2003	2004	Co-chair with Dr. Hermes Kontos Vice President Emeritus, Task Force to Create a School of Public Health at Virginia Commonwealth University. Final report submitted Feb 2004 and new school approved by State Council on Higher Education Virginia June 2004.
2002		Health Center Campus Instruction Task Force
1996		VCU/MCV Health Center Task Force on Faculty Roles and Rewards

Administrative Positions (other than primary appointments)

2007	present	Virginia Statewide Area Health Education Centers, Program Director
2005	2008	Co-Director for Education, Virginia Commonwealth University HIV/AIDS Center
2005	2006	Interim Co-Director of the VCU HIV/AIDS Center, I was sent in by the Vice President to restructure and handle personnel issues, served as PI on both the state and federal grants to maintain the funding
1993	1994	Interim Director, Advanced Education in General Dentistry Program
1987		Interim Director of Faculty Practice
1983	1984	Clinic Team Captain

Student Counseling

1995		Research Advisor to Domenick Coletti, Student Research Grant Award, American Academy of Cosmetic Dentistry
1995		Research Advisor to Domenick Coletti, Hinman Student Reserch Representative for VCU School of Dentistry
1978	2002	Academic advisor to dental students

Department Committees

- 1993 Chairman, Search Committee for Director of Advanced Education in General Dentistry program
- 1984 Chaired committee including Drs. G.E. Smith and T.D. Clark that revised all clinical evaluation criteria in Operative Dentistry.
- 1984 Search Committee, Department of Endodontics
- 1983 Chairman, Search Committee, Department of Operative Dentistry
- 1980 1981 Search Committee, Department of Operative Dentistry

Department Service

- 1996 2000 Developed and maintain Department of General Practice web site
- 1985 1991 Director, Department of Operative Dentistry Faculty Practice
- 1983 1984 Director of Preclinical Operative Dentistry, Department of Operative Dentistry

Local Memberships

- 1996 present Richmond Dental Study Club
- 1993 present Kappa Chapter of Omicron Kappa Upsilon
- 1993 present Richmond Dental Society
- 1978 1992 Central District Dental Society, Florida
- 1978 1992 Xi Omicron Chapter of Omicron Kappa Upsilon

State Memberships

- 1993 present Virginia Dental Association
- 1983 1992 Faculty Representative, Board of Directors of University of Florida College of Dentistry Alumni Association, Chairman of the Alumni Association Student Award Selection Committee
- 1978 1992 Florida Dental Association

National Memberships

- 1995 present American College of Dentists
- 1981 present American Association for Dental Research
- 1980 present American Dental Education Association
- 1978 present American Dental Association

International Memberships

- 1988 present Academy of Dental Materials
- 1981 present Dental Materials Group of International Association of Dental Research
- 1981 present International Association for Dental Research
- 1978 present Academy of Operative Dentistry

Local Organization Officer/Committee Member

2000	2004	Liaison Committee, Richmond Dental Society
1999	2002	Richmond Dental Study Club, Secretary, President-Elect, President
1999	2000	Richmond Section, American Association for Dental Research, Vice President
1993	present	Kappa Chapter of Omicron Kappa Upsilon, Vice President 1996-97, President 1997-98
1978	1992	Xi Omicron Chapter of Omicron Kappa Upsilon, Chairman of Membership Committee 1981-82, Secretary-Treasurer 1982-85, Vice President 1985-86, President-Elect 1986-87, President 1987-88

National Organization Officer/Committee Member

2003	2006	Chair, ADA Council on Scientific Affairs Subcommittee on Professional Products Evaluation (SPPEv), to create a new product evaluation system
2003	2005	American Dental Association Evidence-based Dentistry Committee
2002	2006	Council on Scientific Affairs, American Dental Association
2000	2003	American Dental Association Standards Committee on Dental Products
1994		Program Organizer for Application of Case-Based Examinations and Critical Thinking in Dental Biomaterials, AADS Section on Biomaterials, Seattle, WA, March 13
1994	2000	Accredited Standards Committee MD156 for Dentistry representing the American Association of Dental Schools
1993	1994	Dental Materials Group, American Association for Dental Research, Symposium Coordinator/Organizer
1992	1994	Curricula Guidelines Committee, AADS Section on Biomaterials
1992	1995	American Association of Dental Schools Section on Biomaterials, Secretary 1992-93, Chair-Elect 1993-94, Chair 1994-95
1982	1996	Research Committee, Academy of Operative Dentistry

International Organization Officer/Committee Member

2003		Session chair for IADR oral session, Dental Materials Group, Gothenborg, Sweden
2001	2006	Research Committee Member, Academy of Operative Dentistry
2001	2004	Academy of Dental Materials, Board of Directors
1999	2003	Dental Materials Group International Association for Dental Research, Secretary 1999-2001, President-Elect 2001-2002, President 2002-2003, Program Coordinator for 2003 meeting
1998		Session chair for IADR oral session, Dental Materials Group, Nice, France
1998	2004	Academy of Dental Materials, Transactions Editor
1998	2004	Academy of Dental Materials, Executive Committee
1994		Symposium Organizer for Defining the Bio Component in Dental Biomaterials, A joint symposium between AADS Section on Biomaterials and IADR Dental Materials Group Chapter America, Seattle, WA, March 12

- 1992 1993 Microfilm/Manuscript Committee, Dental Materials Group International Association for Dental Research
- 1989 Session chair for IADR oral session, Dental Materials Group, Dublin, Ireland

Patient Care

- 1993 present VCU Dental Faculty Practice
- 1977 1992 UF Dental Faculty Practice

- 1999 Sticking to the Principles of Esthetic Adhesive Dentistry, University of Pittsburgh sponsored course, Pittsburgh, PA, April 7
- 1999 The Clinical Dental Education/Service Program of the Future, Baltimore College of Dental Surgery, Dental School, University of Maryland, May 25
- 1999 Sticking to the Principles of Esthetic Adhesive Dentistry, Buffalo Dental Society, sponsored course, Buffalo, NY, November 10
- 1996 Contemporary Restorative Dentistry - 96, Comprehensive Dentistry Department, Naval Dental School, Bethesda, MD, March 22
- 1996 Indications for and Evaluation of Class II Amalgam Restorations, Southern Regional Testing Agency Annual Meeting, Ft. Lauderdale, FL, August 10

- 1995 Effects of a General Practice Model on the Productivity and Efficiency of Senior Dental Students, poster presentation with Dr. Dishman, American Association of Dental Schools, San Antonio, TX
- 1992 Electronic Conferencing, American Association of Dental Schools, Section on Biomaterials Teachers of Dental Materials meeting, Orlando, FL, October 15
- 1992 Diagnosis, Treatment, and Prevention of Recurrent Caries by Application of Controlled Release Delivery, VCU School of Dentistry, Richmond, VA, June 1
- 1992 Fluorescent Dye Diffusion Associated with Simulated Amalgam Restorations, American Association for Dental Research, oral presentation, Boston, MA
- 1991 Root Caries, Lecture presented to the Department of Operative Dentistry, Dental Branch, University of Texas Health Sciences Center, Houston, TX, July 26
- 1986 Faculty Development - A Faculty Member's Viewpoint, American Association of Dental Schools, Section on Operative Dentistry, Washington, DC
- 1984 Retentive strength of pins cut with rotary instruments, American Association for Dental Research, poster presentation, Dallas, TX
- 1982 Low-Gold Content Alloys for Use in Operative Dentistry, Essay, Academy of Operative Dentistry, Chicago, IL
- 1981 A Scanning Electron Microscope Look at Marginal Finishing Techniques, Table Clinic, Academy of Operative Dentistry, Chicago, IL

International Presentations

- 2009 Secondary caries or not? And does it matter? International Association for Dental Research, oral presentation, Miami, FL, April 3
- 2008 University Update for Kuwaiti VCU Alumni, Kuwait City, Kuwait, May 7
- 2007 Clinical Evidence for Selection of Materials and Techniques for Posterior Composite Restorations, International Association for Dental Research, Dental Materials Group Keynote Speaker, New Orleans, LA, March
- 2004 Clinical Challenges and the Relevance of Materials Testing for Posterior Composite Restorations, Portland Composites Symposium invited speaker, June 17-19
- 2003 Current Topics in Dental Materials Research, FDI Education Program Committee, Goteborg, Sweden
- 2003 Three-year Clinical Evaluation of a Condensable Composite, International Association for Dental Research, oral presentation, Goteborg, Sweden
- 2001 Twelve-month Clinical Evaluation of a Condensable Composite, International Association for Dental Research, oral presentation, Chiba, Japan
- 1998 Clinical Evaluation of CAD/CAM Generated Restorations, International Association for Dental Research, oral presentation, Nice, France
- 1992 The Effect of Water on Resin Matrix and Composite Wear, International Association for Dental Research, poster presentation, Glasgow, Scotland
- 1989 Principles and Practice of Esthetic Restorations, Invited Continuing Education Course for Hermandad Estadounidense Latino Odontologica, Miami, FL

- 1989 Relationship Between Hydrolytic Degradation, Water Sorption, and Wear of Dental Composites, International Association for Dental Research, oral presentation, Dublin, Ireland
- 1988 Water and Abrasive Effects on Three-Body Wear of Dental Composites, International Association for Dental Research, oral presentation, Montreal, Canada
- 1984 Retentive Strength of Pins Cut with Rotary Instruments, International Association for Dental Research, poster presentation, Dallas, TX
- 1982 Duplication of Viewing Angles for Studying Cavosurface Margins with Scanning Electron Microscopy, International Association for Dental Research, poster presentation, New Orleans, LA
- 1982 Duplication of viewing angles for studying cavosurface margins with scanning electron microscopy, International Association for Dental Research, poster presentation, New Orleans, LA

- 1982 Sarrett DC (1982). Duplication of viewing angles for studying cavosurface margins with scanning electron microscopy. IADR Prog & Abst 61: No. 631
- 1981 Sarrett, DC, Reitz CD (1981). Temperature rise during the cutting of threaded pins. IADR Prog & Abst 60: No. 1111

Grants Submitted

- 1986 Wear behavior of dental restorative materials, Dentist Scientist Award, NIDR, 5 years, \$322,196, approved, not funded

Grants Funded

- 2007 2011 Model Area Health Education Centers, Health Resources and Service Administration, US Department of Health and Human Services, PI and Program Director for Virginia Statewide AHEC Office at VCU, \$656,882 per year
- 2005 2007 Pennsylvania Mid-Atlantic AIDS Education & Training Center (AETC), PI for Virginia Local Performance Site, \$325,000, HRSA, Parent grant at U. Pittsburgh, Dr. Linda Frank
- 2005 2006 Virginia HIV/AIDS Resource and Consultation Center, PI, \$559,500, Virginia Department of Health
- 2004 Improving Health and Disease Prevention Through Interdisciplinary Health Sciences Education, Capital AHEC Micro Grant to catalog existing activities in the health sciences schools, \$2,500
- 2000 Practitioner Tendencies for Use of Scientific Evidence, Mentor for Temesha Morris, AD Williams Student Research Grant, \$2000
- 1999 2000 In vivo Surface Characterization of a Microhybrid Composite Restorative Material, Co-PI with Dr. Jennifer Rose, Kerr Corporation, \$29,869
- 1999 2002 Clinical Evaluation of a New Composite Restorative Material for Class II Cavities, Kerr Corporation, \$24,969
- 1998 Wear Behavior of New Packable and Flowable Composites, Mentor for Cindy Dang, AD Williams Student Research Grant, \$2000
- 1995 1998 Luting Retention and Erosion of a New Compomer Cement Used for Acid-Etch Retained Fixed Partial Dentures DC Sarrett & RF Barnes, Co-Principal Investigators, 3 years, \$101,186, Caulk Division, Dentsply International
- 1995 1996 Mechanism of Alcohol's Effect on Composite Wear, Mentor for Domenick Coletti, AD Williams Student Research Grant, \$2000
- 1994 1995 Effects of Alcohol on Polymer Matrix and Composite Wear, Mentor for Domenick Coletti, AD Williams Student Research Grant, \$2000
- 1994 Advanced Education in General Dentistry Training Grant, Noncompeting continuation application written, \$210,551 direct cost, original grant written by Drs. Whitehill and Hunt
- 1993 1994 The Effects of Alcoholic Beverages on Wear of Dental Composites, Mentor for Jennifer McDaniel, AD Williams Student Research Grant, \$2000
- 1991 1996 In vivo / in vitro wear performance of posterior composites, Clinical Operator, 20% effort 1991-1992, 1993-1996 Consultant, Dr. K-J. Söderholm, Principal Investigator, NIDR, 5 years, \$838,978 total direct costs

|------|------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1989 | 1992 | Host-Parasite Interactions in Periodontally Healthy and Diseased Elderly Populations, Co-Investigator in Periodontal Disease Research Center and Center for Research on Oral Health in Aging |
| 1989 | 1994 | Controlled release of diagnostic and therapeutic agents, Co-Investigator until 1992 then consultant, funded by NIDR as one of three projects in a Specialized Materials Science Research Center proposal, \$94,180 first year, 5 years total |
| 1989 | 1990 | Influence of water exposure and applied force on wear of dental composite restorative materials, Principal Investigator, University of Florida Division of Sponsored Research, Research Development Award, \$17,000 |
| 1987 | | Wear behavior of dental composites, BRSG Award \$2500 |
| 1986 | | American Fund for Dental Health Dental Faculty Fellowship, \$20,000 |
| 1980 | | The effect of various finishing procedures on the casting-tooth cavosurface interface, with Drs. J.S. Richeson and G.E. Smith, Seed money grant, \$933.46 |
| 1979 | | Temperature rise in dental pins when cut with rotary instruments, Seed money grant, \$700.00 |

Advanced Degrees

- | | | |
|------|--|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1988 | | Master of Science, Materials Science & Engineering, University of Florida College of Engineering, concentration in polymers and composites, Thesis: Wear Behavior of Dental Composite Restorative Materials |
|------|--|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

Student Research Supervision

- | | | |
|------|------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2000 | 2002 | M.S. Thesis Director for Dr. Anthony Horalek, endodontic graduate student, "The Effect of Gates Glidden Bur Size on Residual Dentin Thickness in Mandibular Molars" |
| 2000 | | Tendencies for Evidence-Based Decisions of Dental Students and Dentists, Mentor for Tamesha Morris, AD Williams Student Research Grant, \$2000 |
| 1998 | 1999 | Wear Behavior of New Packable and Flowable Composites, Mentor for Cindy Dang, AD Williams Student Research Grant, \$2000, Placed first in the 1999 Student Research Competition at VCU School of Dentistry; Placed second at the ADA Student Table Clinic competition; Placed first in the Academy of Operative Dentistry Student Table Clinic competition |
| 1995 | 1996 | Mechanism of Alcohol's Effect on Composite Wear, Mentor for Domenick Coletti, AD Williams Student Research Grant, \$2000 |
| 1994 | 1995 | Effects of Alcohol on Polymer Matrix and Composite Wear, Mentor for Domenick Coletti, AD Williams Student Research Grant, \$2000 |
| 1993 | 1994 | The Effects of Alcoholic Beverages on Wear of Dental Composites, Mentor for Jennifer McDaniel, AD Williams Student Research Grant, \$2000 |

Editor

- | | | |
|------|---------|----------------------------------------------------------------------------------------------------|
| 2005 | present | Editor, ADA Professional Products Review |
| 2005 | 2010 | Associate Editor for Esthetic & Restorative Dentistry, Journal of the American Dental Association |
| 2005 | present | Editorial Board, Journal of the American Dental Association |
| 1998 | 2004 | Transactions Editor, Academy of Dental Materials, edit and produce annual meeting proceedings book |

Publication Reviewer

- 2003 Group Program Chair and abstract reviewer for Dental Material Group, International Association for Dental Research
- 2003 present Manuscript reviewer for Journal of Esthetic Dentistry
- 2000 present Editorial Board, Operative Dentistry
- 2000 Manuscript reviewer for Journal of Dentistry
- 1999 Manuscript reviewer for Drug and Alcohol Dependence, B99-92, Patterns of tooth wear in cocaine addicts
- 1995 Manuscript reviewer for Journal of Dental Research
- 1995 present Manuscript reviewer for Journal of the American Dental Association
- 1993 present Editorial Board, Virg Dent J
- 1993 present Manuscript reviewer for Dental Materials
- 1991 Abstract reviewer for Dental Material Group of the American Association for Dental Research, 1992 AADR meeting.
- 1984 1985 Editorial Board for Trends & Techniques, publication of the National Association of Dental Laboratories

Grant Reviewer

- 1997 2000 A.D. Williams Research Grants, Virginia Commonwealth University
- 1995 Proposal reviewer for Virginia's Center for Innovative Technology, CATIP Dental System a scanning and CAD/CAM system, 6/95

Consulting

- 2007 Chair, External Review Team for the Department of Operative Dentistry, University of Florida College of Dentistry, with Dr. Judith Jones, Boston University and Dr. Michael Cochran, University of Indiana
- 2007 2008 Chair, External Review Team for the American Dental Association Paffenbarger Research Center, National Institutes for Science and Technology, Gaitersburg, MD
- 2005 present Dental consultant for Norfolk Southern, Inc employee benefits
- 2004 2008 Consultant to Virginia Dental Association on dental amalgam issues
- 2003 Invited consultant on panel to publish a supplement to the Journal of the American Dental Association on Tooth Whitening.
